CAL-NEV-HA DISTRICT KIWANIS FOUNDATION

The "Kiwanis Doctor" Program: With the backing of an \$186,000 grant from the Cal-Nev-Ha Foundation trains doctors in the field of Pediatric Emergency Medicine. The doctors that have gone through this program then collaborated with Kiwanis Clubs to provide training in the field of pediatric trauma to paramedics, nurses and physicians in rural areas of the Cal-Nev-Ha District. The goal of the Pediatric Emergency Medicine Fellowship is simple: Save the lives of children by training doctors about the latest in pediatric treatment.

KIWANIS INTERNATIONAL FOUNDATION

ELIMINATE

Kiwanis eliminating maternal/neonatal tetanus

The **ELIMINATE Project** Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease

steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. To eliminate MNT from the Earth by 2015, 129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. Eliminating MNT from the face of the Earth will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families. For more info go to www.kiwanis.org
