KIWANIS INTERNATIONAL FOUNDATION

ELIMINATE

Kiwanis eliminating maternal/neonatal tetanus

The ELIMINATE Project Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. To eliminate MNT from

the Earth by 2015, 129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. Eliminating MNT from the face of the Earth will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families. For more info go to www.kiwanis.org

Benefitting Toberman Neighborhood Center, Summer Fest 2013 presented by Chef Shafer and Depot will be held Sunday August 11. The street in front of the Depot restaurant in downtown Torrance will be transformed into a fun summertime block party. With 300 guests and great food, drinks, auction items and live music it promises to be an exciting event!

It is important to help as 2013 marks a critical year for Toberman as more and more families seek our support. Thousands of families depend on Toberman to provide basic necessities and education for a brighter future. The children of the Harbor Area face numerous societal stressors every day. These circumstances are hard to imagine. Gangs, crime and violence have become a distressingly frequent occurrence here. We know a child's environment plays a significant role in shaping the course and direction of his/her future. Toberman has been serving the Harbor Area residents since 1937 and is well known as a haven and a place where children, youth and families can get assistance to improve the environment that surrounds them.

Join the summer fun and put resources where they are needed! More information contact Torrance Kiwanian Steve Makshanoff 310-415-1394 or go to www.toberman.org
