TODAY'S MEETING: President Jennifer Frew opened the meeting, Gayle CdeBaca led the Pledge of Allegiance, Tony Goorchenko had words of inspiration and President Jen led the singing with "Take me out to the ballgame." Jennifer had us use the first letter of our name and think of a word that describes ourselves. Some examples were tenacious for Tony, committed for Curtis, joyful for Jennifer, and courageous for Carina. Today's guest was Douglas Borstel. Raffle Winner was Steve Makshanoff. 50-50 went to Michael Friedman,

PROGRAM: Douglas Borstel was a guest but spoke about himself and his company. He works for Thrivent as a financial associate. The company is a non-profit that sells insurance, sells mutual funds, is a brokerage, and does banking. The company donates \$3 million a week to charities. \$5 million was given to Habitat for Humanity.

KIWANIS INTERNATIONAL FOUNDATION

ELIMINATE

Kiwanis eliminating maternal/neonatal tetanus

The ELIMINATE Project Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. To eliminate MNT from

the Earth by 2015, 129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. Eliminating MNT from the face of the Earth will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families. For more info go to www.kiwanis.org

CAL-NEV-HA DISTRICT KIWANIS FOUNDATION

The "Kiwanis Doctor" Program: With the backing of an \$186,000 grant from the Cal-Nev-Ha Foundation trains doctors in the field of Pediatric Emergency Medicine. The doctors that have gone through this program then collaborated with Kiwanis Clubs to provide training in the field of pediatric trauma to paramedics, nurses and physicians in rural areas of our District. The goal of the Pediatric Emergency Medicine Fellowship is simple: Save the lives of children by training doctors about the latest in pediatric treatment.
