NEIGHBORHOOD WATCH REPORT: We need your help!!!! The Torrance Police Department continues to receive reports of suspects calling our citizens. With your assistance, we have been successful in reducing the amount of financial loss by either knowing of the scam or using good common sense. To recap, the suspects will identify themselves as **IRS agents, Southern California Edison workers, Law Enforcement personnel, or other governmental agencies**, in an attempt to get the victim’s attention. The suspects will then proceed with the scam and tell the victim they owe money for unpaid taxes, electrical bills, warrants or bail for a family member. If the suspects are successful, they will instruct the victim to put money on a Green Dot card or any Pre-Paid Visa/MasterCard that can be found at any supermarket or drug store. Once the victim gives the suspects the numbers on the back of the card, the scam is complete and the victim will be out the money that was loaded. If you receive a call of this nature, ask the caller for their name and agency, then hang up. Do not call them back at the number they provide, but rather, obtain the agency’s official number via the internet or by calling information. When you call this legitimate number, you will likely discover that the call was a scam. If you continue to receive telephone scams, tell the caller to stop calling and that you will be filing a report with your police department. **At no time will ANY** of the above agencies ask for unpaid bills/balances to be paid by a Pre-Paid card.

We want your help in spreading the word of this crime occurring. Talk to your family members, your friends, neighbors and co-workers. We need YOU to be our voice within your own circle of influence to stop this crime from occurring. If someone you know does not get Nixle and is interested in signing up but does not know how, please contact 310-618-6391. If you have any questions or believe you have been a victim of a scam or fraud, please call the Torrance Police Department, Economic Crimes Section, at 310-618-6363.

Hello Kiwanians, Friends and Family,

I am putting together a GHMP team to help support the Easter Seals of Southern California "Walk with Me", a 3K Family Fun walk or 5K run/walk timed fundraiser for raising awareness and support for children and adults with disabilities! "Walk with Me" take place on Saturday, November 8th. I have attached the flyer, which provides basic information; however, I'm waiting for the official Team Captain packet to arrive with all the information we'll need in order to have a successful team. All participants will be asked to fundraise as well as provide signed waivers.

If you are interested in be a part of the GHMP "Walk with Me" team, please let me know by responding to this email. Green Hills Memorial Park will be covering the registration fee for all participants, so your participation will need to be confirmed. It is a half day event but the Aquarium of the Sea is the central point and I have been informed that they provide discount tickets to all participants and the local restaurants handout coupons allowing families to make a day out of the event.

Thank you for your interest and support with this worthy cause.

Best Regards,

Jennifer L. Frew, CCE

New Challenge Ministries, Inc.

New Challenge Ministries ("NCM") helps many kids, teens and families in the South Bay in need not only by feeding them but through counseling as well. NCM works with many other organizations. For instance, through a recent partnership with Counseling4kids they organized a back-to-school outreach event in August and gave out 68 backpacks filled with school supplies and goodies for children in Foster care.

Other non-profit organizations that NCM have been helping with food and refreshments for their events includes: the Boys and Girls Club of Harbor City, the Doors of Hope Women's Shelter, The Beacon Light Missions in Wilmington and two inner city churches in South Central Los Angeles that work with kids.

NCM is now raising funds for their annual Thanksgiving Dinner give away to families in need. Last year with the help of our friends, North High Key Club and the employees of Albertson's NCM gave out 200 dinners.

NCM is a 501(c)(3) non-profit organization. If you would like to make a donation you can go on line at www.newchallengeministries.com. If you have any questions about NCM please call or e-mail John Hernandez.

Thank you Kiwanians for all you do.

Champions for Children, an annual sustaining donor program, enables our donors to partner with the Kiwanis Cal-Nev-Ha Foundation in investing in our Kiwanis Family, distributing thousands of dollars each year throughout the District, allowing us together meet the needs of children in our shared communities.

The Kiwanis Cal-Nev-Ha Foundation has long supported the clubs in our District to improve their impact in communities by providing generous club, multi-club and division grants. The Foundation continues to build better futures for our children by providing Pediatric Trauma Prevention grants to our Kiwanis and SLP clubs and through innovative programs like the Partner Hospital Program. And for more than thirty years, our Foundation has championed the next generation of Kiwanis leadership through their support of our Service Leadership Programs, the Kenneth C. Forror Scholarship Fund and most recently, Key Leader Scholarships.

These programs would not be possible without the support of our donors. For more info go to www.cnhfoundation.org

KIWANIS INTERNATIONAL FOUNDATION

ELIMINATE

Kiwanis eliminating maternal/neonatal tetanus

The **ELIMINATE** Project Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. To eliminate MNT from the Earth by 2015, 129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. Eliminating MNT from the face of the Earth will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families. For more info go to www.kiwanis.org
