TODAY'S PROGRAM – Past Kiwanis President Dave Holper - Aflac® Incorporated is an American insurance company and is the largest provider of supplemental insurance in the United States, founded in 1955 by the Amos Brothers and based in Columbus, Georgia. The Aflac® duck is 14 ½ years old, just 6 months younger than the amount of time Dave has been employed with Aflac. The story goes that they were trying to think of a mascot and one employee sitting in his cubicle kept saying “Aflac, Aflac, Aflac” and the person in the next cubicle said “What are you squawking about?” And that is how the birth of the Aflac® duck came about. They even have a Duck Pond at their corporate headquarters. Think about these ideas:

- Just heal. Thanks to the financial support Aflac helps provide, you can focus on getting well and back to the things you love to do.
- Feel more secure. Not the doctors or facilities, benefits are paid directly to you, unless otherwise assigned.
- Live better. Better life-work balance is within reach. Ask your employer about Aflac today.

According to a recent Harvard study 60% of all U.S. bankruptcies are from medical bills. 77% had medical insurance. Aflac pays cash to help protect our assets and income when you are hurt or sick. Aflac is different from health insurance. It is insurance for daily living.

- Aflac is an extra measure of financial protection.
- Aflac pays you cash benefits to use as you see fit to help with unexpected expenses.
- Aflac belongs to you not your company.
- Aflac is affordable.
- Aflac processes claims quickly – usually within 4 days.
- Aflac claims are easy to file.
- Aflac pays you cash benefits even when you're healthy.
- Aflac is accountable.

Dave brought a lot of interesting handouts and brochures for members. If you want to learn more contact Dave and/or visit www.aflac.com. Thanks Dave for a great program!

PHILIPPINES TYPHOON HAIYAN RELIEF REPORT

To RECAP, the Kiwanis Club of New Manila received a total amount of USD \$22,808.50 from the Kiwanis Club of Torrance Foundation. As requested, seven thousand dollars (\$7,000.00) went to NOWCOM families that suffered losses. The balance, together with other donors listed in the report was used to build a Housing Community in Tabango, Leyte, a small town quite distant (4 hours by land) from Tacloban which was similarly heavily damaged by the typhoon though receiving hardly any aid from government or NGO's. Tacloban on the other hand was pulled up as the center of most aid and relief.

The project involved the purchase of the lot, price of building the housing units with toilet and bath as indicated in the report, livelihood support as tricycles (cycles with side cabs for passengers), small boat (for fishing) or mini store. Recipients have been selected. The titles to the property shall be retained by our club to prevent recipients from selling or disposing of the house and lot. Six (6) units have been built with the help of the recipients. New Manila Kiwanis Club president, George Cuevas is scheduled to go to Tabango Leyte with one of our members early in December to turn over the completed houses. In addition, feeding programs were also undertaken and documented in the report delivered to Tony Molino. An additional report will be made at project completion.

On behalf of the beneficiaries, we wish to thank the Kiwanis Club of Torrance for your kindness and generosity and for entrusting your support to the Kiwanis Club of New Manila.

Best Regards

Alice Torres, Kiwanis Club of New Manila &
Dr. Ito Torres, Past Kiwanis International President

School supplies and backpacks were provided to the students in the village that was devastated by the typhoon. In the photo is George Cuevas president of the Kiwanis Club of New Manila

Building of the new village has started. With the funds donated by the Torrance Kiwanis Foundation. When it is completed it will be named K Torrance Village

THANK YOU TORRANCE KIWANIS FOUNDATION

KIWANIS

ONE CAN MAKE A DIFFERENCE

Your Kiwanis International Rose Float promotes Kiwanis to approximately 450 million television viewers worldwide every New Years Day, clearly a significant public relations tool. Your Kiwanis International Rose Float Committee invites Kiwanians, clubs, divisions and districts to share in the excitement of the project. Opportunities are available to decorate the float and feed the volunteers. Every club, division or district in the Kiwanis family can help by becoming a 2014 Kiwanis International Rose Float Sponsor, and by doing so may actually generate a profit for themselves.

A sponsorship program is available which will provide a unique banner patch, a commemorative plaque, a quantity of lapel pins, and tickets for an opportunity drawing, for various levels of contribution. The drawing prize is 4 of the best seats for the Rose Parade, 4 seats for the Rose Bowl Game, a VIP luncheon, and reserved parking for the Parade and Game. For more information how you can get involved please contact Larry Madick mad4ucla@gmail.com

Champions for Children, an annual sustaining donor program, enables our donors to partner with the Kiwanis Cal-Nev-Ha Foundation in investing in our Kiwanis Family, distributing thousands of dollars each year throughout the District, allowing us together meet the needs of children in our shared communities.

The Kiwanis Cal-Nev-Ha Foundation has long supported the clubs in our District to improve their impact in communities by providing generous club, multi-club and division grants. The Foundation continues to build better futures for our children by providing Pediatric Trauma Prevention grants to our Kiwanis and SLP clubs and through innovative programs like the Partner Hospital Program. And for more than thirty years, our Foundation has championed the next generation of Kiwanis leadership through their support of our Service Leadership Programs, the Kenneth C. Ferror Scholarship Fund and most recently, Key Leader Scholarships.

These programs would not be possible without the support of our donors. For more info go to www.cnhfoundation.org

KIWANIS INTERNATIONAL FOUNDATION

ELIMINATE

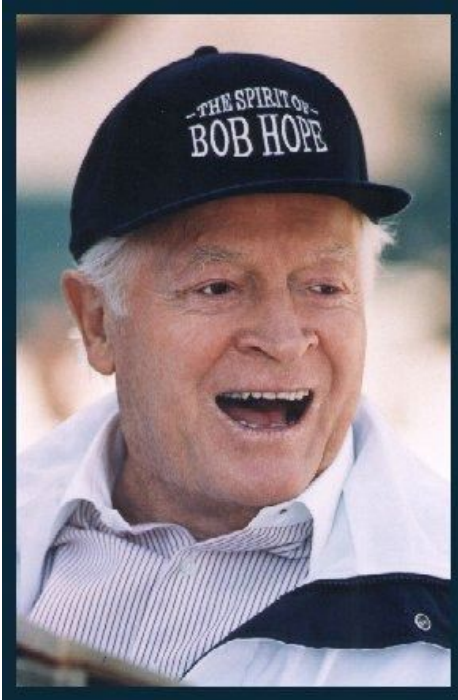

Kiwanis eliminating maternal/neonatal tetanus

The **ELIMINATE** Project Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. To eliminate MNT from the Earth by 2015, 129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. Eliminating MNT from the face of the Earth will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families. For more info go to www.kiwanis.org
