**TODAY'S PROGRAM:** – Program – Chandra Stovall, The CITY, Community Inspiring Today's Youth Teaching LA Youth to "Think Outside the Block"

Chandra is the Founder and Executive Director of CITY. The pilot program (2006-2009) was held in Echo Park and Watts, Chandra instructed 30-40 students weekly, resulting in youth-produced revenue of over \$6000. Now it is a non-profit, 501(c)3 tax exempt organization located near El Camino College. The location was chosen for its proximity to bus lines and for being in a safe community. They offer a comprehensive, 46 week hands-on business development program, teaching micro-entrepreneurship. Participants develop their own idea and learn how to turn it into a business. While enrolled, students work on developing their product or service under the leadership of an industry professional. Instead of teaching them to take these skills and enter the trade or work for another company, they provide them with the experience of starting their very own small business. Currently The CITY accepts applications from highly motivated young adults from the ages of 14-24 years of age. Exceptions may be made. Half of our enrollment is reserved for youth offenders, re-entering incarcerated and youth on probation. There are no educational requirements. The enrollment in the program now stands at 7 with the goal to grow to 20.

Chandra was born and raised in Orange County. When younger she volunteered weekly in convalescent hospitals, youth facilities and worked for summer camps and educational programs. In addition, Chandra also played an integral role in the development, sustainability and structuring of the state and federally funded Long Beach WRAP After School Enrichment program.

This is a great program and was a very interesting presentation. Thank you Chandra for your dedication to an important segment of our population providing them hope and skills. Want to learn - more visit [www.tcpyouth.org](http://www.tcpyouth.org).

Takeover! Congratulations to all the BMHS Key Club for an excellent job.

Toys for the Troops' Kids Toy Drive benefits units of the National Guard, Air Force, Army Marine Corps and Navy. The overall goal of Toys for the Troops' Kids is to provide two toys per child of every military parent deployed overseas. With your help, donating new unwrapped toys for children ages 0-16, will give children of deployed parents overseas a happy holiday season.

# KIWANIS

ONE CAN MAKE A DIFFERENCE

**KIWANIS ROSE PARADE FLOAT:** Your Kiwanis International Rose Float promotes Kiwanis to approximately 450 million television viewers worldwide every New Year's Day, clearly a significant public relations tool. Your Kiwanis International Rose Float Committee invites Kiwanians, clubs, divisions and districts to share in the excitement of the project. Opportunities are available to decorate the float and feed the volunteers. Every club, division or district in the Kiwanis family can help by becoming a 2014 Kiwanis International Rose Float Sponsor, and by doing so may actually generate a profit for themselves.

A sponsorship program is available which will provide a unique banner patch, a commemorative plaque, a quantity of lapel pins, and tickets for an opportunity drawing, for various levels of contribution. The drawing prize is 4 of the best seats for the Rose Parade, 4 seats for the Rose Bowl Game, a VIP luncheon, and reserved parking for the Parade and Game. For more information how you can get involved please contact Larry Madick [mad4ucla@gmail.com](mailto:mad4ucla@gmail.com)

*Champions for Children*, an annual sustaining donor program, enables our donors to partner with the Kiwanis Cal-Nev-Ha Foundation in investing in our Kiwanis Family, distributing thousands of dollars each year throughout the District, allowing us together meet the needs of children in our shared communities.

The Kiwanis Cal-Nev-Ha Foundation has long supported the clubs in our District to improve their impact in communities by providing generous club, multi-club and division grants. The Foundation continues to build better futures for our children by providing Pediatric Trauma Prevention grants to our Kiwanis and SLP clubs and through innovative programs like the Partner Hospital Program. And for more than thirty years, our Foundation has championed the next generation of Kiwanis leadership through their support of our Service Leadership Programs, the Kenneth C. Ferror Scholarship Fund and most recently, Key Leader Scholarships.

These programs would not be possible without the support of our donors. For more info go to [www.cnhfoundation.org](http://www.cnhfoundation.org)

## KIWANIS INTERNATIONAL FOUNDATION

### ELIMINATE

Kiwanis eliminating maternal/neonatal tetanus

The **ELIMINATE** Project Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. To eliminate MNT from the Earth by 2015, 129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. Eliminating MNT from the face of the Earth will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families. For more info go to [www.kiwanis.org](http://www.kiwanis.org)
